CORKAGE

We allow corkage at Trinity. In fact, we welcome you to dust off that rare bottle that has significance to you, and to indulge with a friend.

Our Sommelier team love to see new and interesting wines. What better place and food in which to enjoy a treasured wine.

We do have a few stipulations in place:

We allow one bottle per two guests. For example, if you are a table of four guests, you may bring up to two bottles for the table.

We have a strict policy which prohibits bringing wines that we already list. If you need advice on this, please call reception on 02076221199.

We kindly ask that you inform us of your intentions when confirming the table. Our team can then accommodate for any special arrangements to be made for your wine.

We add service charge to our corkage fees.

We do not allow corkage Upstairs at Trinity.

Our corkage fees are as follows:

£20 Half Bottle 375ml

£40 Still Wine 750ml

£70 Still Wine Magnum 1500ml

£50 Champagne 750ml

£90 Champagne Magnum 1500ml

Please remember that all corkage fees are waived on Sunday evenings.

We are always on the lookout for new and exciting wines to join our list of over 500 bins. Should you wish to discuss a private cellar sale, please email
